These are the days of our youth  
when each charts his own destiny.

These are the days when life is rich and complete.  
Days when our life brings forth unlimited challenges to preserve and build on riches of the past.

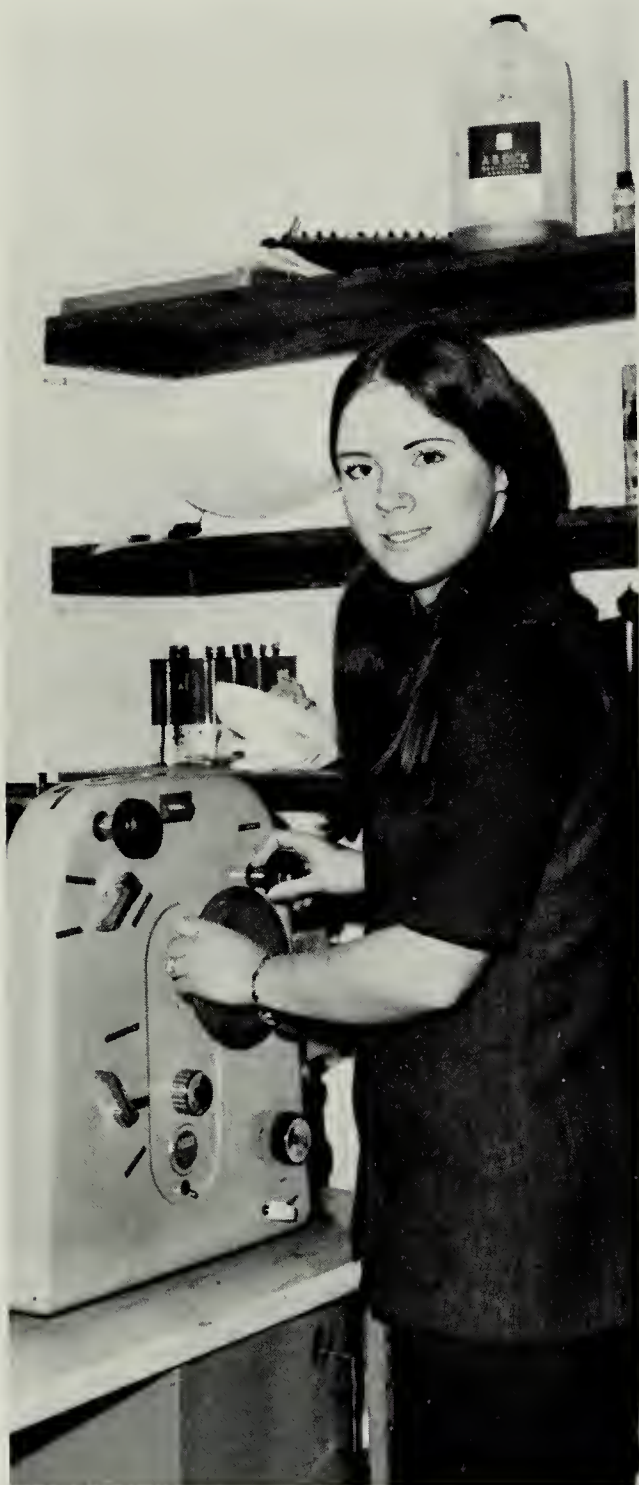

These are the days when the golden harvest  
of our endeavors

has begun to ripen into fruition;

Yet with still more seeds of knowledge to  
flower in years unborn.

These are our days . . .

## *Debby And Andy Prophecy . . .*

Elaine Smith wasn't sure at first what she'd become, and neither were we. She found her place though, and the Flip Wilson Show is now the Elaine Smith Comedy Hour.

Jean Sullivan became Mrs. Jean Patton and is now the little woman behind the big man of Patton Tape Industries.

Patsy Withers was the school's champion female athlete and remained one after graduation. She went into a

strenuous training schedule that caused her to win the Decathlon in the '72 Olympics.

Karen Gray could have accomplished anything she wished. She settled for something she'd enjoy and now runs a car dealership that sells only cute little red Volkswagens.

Raymie Smith put his extensive knowledge of basketball to proper use and is now making money endlessly. He coaches the Green Bay Packers football team.

## *Co-SCA Officers Work Together*

Don't Drop it, Rita.

The SCA of Rappahannock High School is an organization designed to foster school spirit and cooperation. This past school term the SCA worked especially hard to strengthen the bonds of friendship and cooperation among the students and faculty.

One of the year's highlights was the Domestic Exchange Program held with Manchester High School of Chesterfield. Other successful programs included the spring dance, the operation of the used bookstore, the broadcasting of the morning devotions, news and sports, the Roth programs and other special assemblies. Our fund-raising projects involved the SCA Auction, the Sing-Out South and a bake sale.

The SCA also took an active part in community relations such as providing things at Christmas time to a needy family, giving to those who suffered from fire loss, and getting donors for the bloodmobile.

This past school year has been full of pleasant and relative activities, and we as the SCA would like to give a special thanks to those who made it possible.

For the third consecutive year, both Rappahannock Debate Teams captured the District Championship. Rich Gouldin and Herbert Veney, representing the affirmative; and William Ryland and Chip Minor, composing the negative, defeated King George and Colonial Beach debate teams at Brentsville District High School. Mrs. Meta Sampson assisted in preparations as debate coach.

However, the results of the State Group A Forensics Meet in Charlottesville were quite different. Rich and Herbert won third place in affirmative debate while William and Chip failed to place. In addition, Rich won first place in individual affirmative speaking with Herbert placing third in the same category.

# Library Club Offers Scholarship

During the 1970-71 year, the Rappahannock High School Library opened its doors to more students than ever before. More books, magazines and visual aids were circulated. The RHS Library Club has tried to bring the library and its treasures closer to the students.

The Library Club has continued its offer of a Library Science Scholarship to any student interested in a library career. Club members also participated in the observation of National Library Week (April 18-24) by arranging attractive bulletin boards, setting up a display of new books, and holding a tea for teachers to examine these books in the library.

The members of the Library Club have learned the values of reading and have devoted themselves to teaching it to others.

## *Science Club Divides*

The Science Club of Rappahannock High School has been proud of its increasing membership in recent years. This year the club reached an astonishing membership of eighty-four. To keep in step with its efforts of promoting a broader knowledge of the sciences within the earnest student, the club found it necessary to split into a Junior and a Senior Science Club.

Under the sponsorship of Mrs. Sarah Brown, Mr. Edward Pedersen, and Mr. James Horne, the club made a trip this year to the natural caverns of Luray, Virginia.

In May the Science Club sponsored its annual Science Fair, awarding medals, monetary prizes, and honorable mentions to the best participants in the areas of physics, chemistry, and biology.

Mrs. Booker works on the paper.

This past year the Rappahannock Yell has been characterized by change and growth. Its objectives, however, remained unaltered; to chronicle the school's activities, and provide students with journalistic training.

The "Yell" has undergone a change in name and a change in format. The paper is now printed by offset in an effort to heighten quality and readability.

Members of the newspaper staff produced a total of six issues. In addition, several "Yell" staff members attended a special newspaper clinic, sponsored by the Delta Chi Journalism Fraternity of the University of Richmond. Papers were exchanged with those of several other schools, in an effort to ensure continued vitality of publishing.

As in previous years, the "Yell" received support from area businesses:

Northern Neck State Bank, Farnham Motor Company, Inc., Village Motor Co., Aycock's, Coggins's Furniture Store, Lowery's Restaurant, Northern Neck Oil Co. Inc., Frederick Northup, Inc., J. D. Dawson's Esso Service Center, Self Motor Co., and Sears Catalog Merchant.

## *FBLA Builds Leaders*

FBLA is the organization that gives business-minded students a look at the business world. The purpose is to promote an understanding of business and to build future leaders in this field.

Throughout the year, we have had a number of very interesting and informative speakers. These guest speakers were from various fields of business in our area. They stressed the fact that we should all "be prepared for a brighter future in business," which is our primary goal for

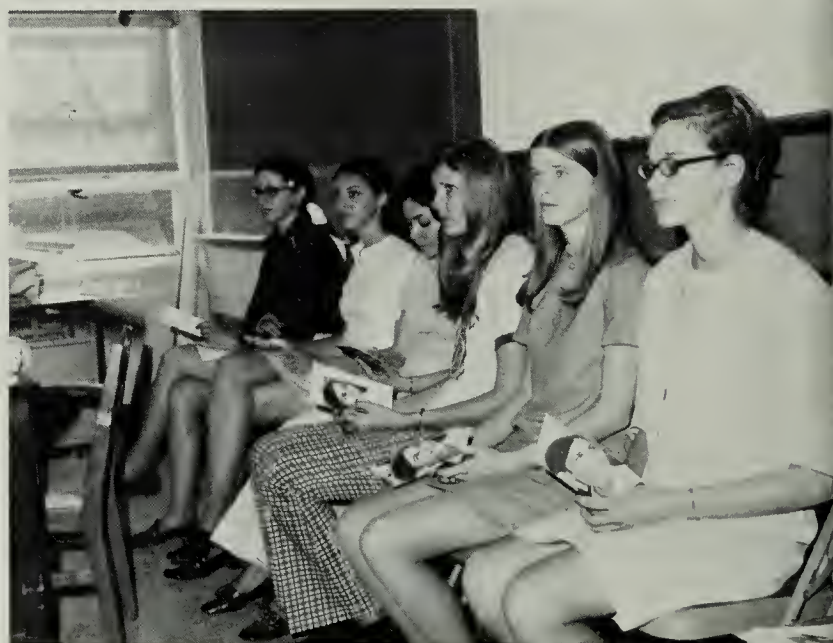

this year.

Representatives from the Federal Bureau of Investigation, Victor Business School, Pan American, Smithdeal-Massey, and Strayers also led in group discussions during the monthly programs.

## *“Stable Home — Stable Life” For FHA’ers*

Rappahannock Future Homemakers placed emphasis on their selected goal, “Stable Home — Stable Life” through work and many class and home projects. This theme was used for most of the chapter programs and during the March and April meetings interesting programs on quilting and dressmaking were presented.

In FHA and homemaking classes the importance of consumer education and the development of homemaking skills for income earning is being stressed more each year. The name of the course has been changed to Consumer and Homemaking Education.

# FFA Degree Team Is First

The FFA year started with the election of officers: Dale Clarke, President; Charles Belfield, Vice-President; Al France, Secretary; Martin Hinson, Reporter; Wayne Jenkins, Treasurer; and Dennis Tuek, Sentinel. The chapter also had a State Vice President who was Dale Sanders. He attended the National FFA convention.

A special night meeting was held in October with parents invited and featured the awarding of honorary degrees to Russell Bronner and Tom Brooks. The speaker was Mr. Walter Horne.

The FFA calendar was again a fall project for making money and publicity. A food booth at the five home football games was another fund-raising project.

The forestry judging team of Dale Sanders, Dale Clarke, Wayne Jenkins, Clifton Jenkins, and Charles Belfield won the N. N. Federation and Eastern Area Contests and placed fifth in the State Contest near Stanton.

The Juniors and Seniors in Agriculture again took the annual trip to the Virginia State Fair.

The Degree Team won the Area contest at West Point and will go on to the State Contest. The team is led by Dale Sanders as the President with the others including Charles Belfield, Dougie Bryant, Ed Bromely, David Carter, Robert Lewis, Dale Winstead, Wayne King, and Ronald Dorsey.

The chapter will be represented at the State Convention at VPI this summer and four members have applied to the Forestry Camp.

# Health Aides Have A Busy Year

"product 19" fills you up, Dale, not out!

Ann's blood pressure rises to perfection!

"Where did they go, Bruce?"

The Health Aides' Class enjoyed a busy year.

On November 3, 1970, the Red Cross Bloodmobile arrived at the Warsaw Baptist Church. The girls, along with Mrs. Stover, came to the bloodmobile ready for duty. Their jobs ranged from guiding the donors, taking their pulse and temperature, helping the nurses in the donor room to get them something to eat and drink after donating blood.

At the end of January, the second year students started going to the hospital, and the first year students followed in February. The hospital is Tidewater Memorial Hospital at Tappahannock, Va. They have been very cooperative, and Rappahannock High School is very appreciative for this fine opportunity for the students to gain this qualified experience. The jobs consisted of making beds, giving baths to the patients, getting the patients up in chairs or walking them.

On April 13, 1971, the Red Cross Bloodmobile returned to Warsaw and the Health Aides' class again donated their services which meant long hours past school time. The Red Cross Nurses congratulated the class on their fine work.

The class work consisted of a variety of activities. First the students got acquainted and learned to get along with one another. One of the main objectives of the class was to help the student to look at themselves and at others and acquire a skill as well as personality to get along with others in life after the school years.

We got you now, Martha!

# Enrollment Increases In Auto Mechanics

The auto mechanics classes this year consisted of twelve morning or second year students and eight afternoon or first year students. Experiences have been plentiful and varied. Whether it was a new experience or a repeat performance, we had the opportunity to learn more about it.

We have done body and fender work as well as painting complete automobiles. Several motors have been rebuilt in addition to transmission overhaul and clutch and brake replacements.

Our class trip this year was to General Motors Assembly plant and Fisher Body plant in Baltimore. Here we witnessed the complete assembly of the automobile. We also attended a Custom Auto Show at the Civic Center in Baltimore. Our trip was very worthwhile, educational, rewarding, and lots of fun.

No student in the class is, or could expect to be, an expert mechanic by the end of the year, but all of us have learned many things about automobiles that we were not aware of before taking this class.

What happened to the motor, Ronnie?

Keep your mind on the buses, Edward and Jackie.

## *Beta Rewards Achievers*

You finally made it, George!

The objectives of the Beta Club are to stimulate effort, reward achievement, and encourage its members to continue their education after high school. The Rappahannock Beta Club has tried to reach these objectives during 1970-71.

It awarded the Scholastic Achievement letter to students who had maintained an "A" or "B" average for the year. It also changed its method of tapping new members so that business students as well as academic students have an equal chance of being voted in.

The Beta Club held its annual Beta Dance and sold Rappahannock T-shirts as fund raising projects. Nine Beta members attended the State Beta Convention which was held at the John Marshall Hotel in Richmond, Virginia on March 20.

Raiders in Action.

COACHES FOR RAIDERS: M. Ward, G. Ward, D. Williams.

CO-CAPTAINS: D. Dunaway and A. France.

The 1970 football team, led by co-captains, Al France and Danny Dunaway, forged an overall record of five wins and four losses with a league record of four wins and two losses. Lancaster, Essex, Northumberland, and Ladysmith fell before the hard-charging Raiders.

Offensively, the team featured a well-balanced running attack. Seniors Al France, Rich Gouldin, Danny Dunaway, Howard McGeorge, and Stephen Packett, and underclassmen Walt Barber, Chip Minor, Gregory Pierson, and Dennis Tuck all carried for substantial advances. The defense was spearheaded by ends Martin Hinson and Wayne Packett, backed by linebackers France, Dunaway, and Stephen Packett.

The season was highlighted by an exciting win over arch rival Essex. A thirty-yard-scoring bomb from Howard McGeorge to Gregory Pierson and a three-yard-scoring plunge by Danny Dunaway provided the winning margin.

Although graduation losses are heavy, with the loss of twelve seniors, the remainder of the squad looks forward to the next season in the anticipation of bringing more gridiron success to Rappahannock High School.

Hike! Hike! Hike!

Balderson cheers them on.

The Rappahannock High School JV Football Team, coached by Dave Williams, had a rough season this year, winning only one out of five games.

The team showed some promising talent for the upcoming years for the R.H.S. Varsity. Among the offensive standouts were Robbie Hedelt, who played quarterback; Gene Balderson, who played blocking back; and Randolph Fletcher, who played offensive end. The defensive standouts were Wayne King and Mark France on the line, and Ed Bromley, Bill Walker, and Ed King in the backfield. This year's defensive team held the opposing team to a 20 point average per game. The offensive team lacked points in scoring.

# *Raiderettes Have First Place Entries*

Playing for the first year in the newly organized Northern Neck District, the Rappahannock Raiderettes were long on desire but came up short in the win column.

The Raiderettes began their season with a defeat by Ladysmith, 35 to 29. They continued their season with scores as the following: Colonial Beach 37 to 28; Lancaster 37 to 18; King George 38 to 30; Essex 44 to 22; Northumberland 40 to 23.

The leading scorer for the season was Beverly Barrack with 62 points. Sally Smith, a promising freshman, netted 43 points. Jyl Stover was next with 21 points, and captain, Peggy Revere scored 15 points. Two junior guards, Pat Scott and Doris Ann Roek, scored 3 and 5 points respectively.

The Raiderettes lose 3 seniors out of the starting 6, Peggy Revere, co-captain Jackie Sorrell, and Beverly Barrack.

The Raiderettes look forward to a bright future, backed by a lot of young talent.

## *Raiders Show Promising Future*

Spirits were high when Rappahannock opened its basketball season this year. The team hustled and the desire was there.

Although we didn't have a winning season this year, we were 5-9 in the district and 6-10 overall. The Raiders started the season in good form but faltered near the end. Rappahannock can be proud of its basketball squad this year as the Raiders won more games this season than in the history of the school.

Randolph Fletcher set two school records this year; one when he scored 34 points in one game and the other when he pulled down 28 rebounds in a single game.

All in all, with some fine players returning next year, plus an outstanding upcoming JV team, the Raiders show much potential for the future years.

Jump, Raiders, Jump!

# Raiderettes Have First Place Entries

The 1970 Girls' Track season wasn't as promising as they had hoped. The Raiderettes placed third after doing extremely well in field events, but getting only one place in track events.

Those placing first were Patsy Withers in broad jump, with 15'11", and Laura Dunaway in the discus, with 93'8". Laura also came in 2nd in shot with 30'10½". Jackie Sorrell placed 3rd in shot with 30'9".

Once again co-captain Patsy Withers placed. This time she placed 3rd in high jump, jumping 4'4". Sallie Smith came in 4th in discus throwing 81'8". Co-captain Debby Dart came in 4th in the 50 yard dash.

The Raiderettes are losing three seniors, Debby Dart, Patsy Withers, and Jackie Sorrell, but they have high hopes for returning lettermen and new prospects.

1st ROW: D. Nash, J. Sorrell, D. Dart — captain, P. Withers — co-captain, I. Hammond, J. Stover. 2nd ROW: B. Clark, D. Bryant, E. Fidler, M. Davis, J. Coates, F. Fidler. 3rd ROW: Helen Palmer — coach, B. King, S. Scott, P. Rock, S. Smith, L. Dunaway, S. Scott.

Hey Jackie, what's down there!

Get ready, set . . .

## *RHS Thinclads Place Third*

The RHS track team led by Michael Packett, Martin Hinson, Al France, and Robbie Hedelt finished third in the Northern Neck District track meet. The team was undefeated in dual competition, winning all five of its meets.

Team members who placed in the district meet were Danny Dungan, pole vault; Al France, broad jump; Martin Hinson, shot put; Wayne Packett, discus; Gregory Gay, high hurdles; Willie Veney, 220 yard run; and Michael Packett and Robbie Hedelt who also placed in the regional meet held at Brentsville.

## *Raiderettes End Season With 5-2 Overall Standing*

The 1971 Raiderettes softball team won its way to a tie with Essex and Northumberland High Schools for second place in the district. Captain Patsy Withers held the year's highest batting average — .769. Co-captain Kathleen Gordon followed Patsy with a .545 average for the year.

Freshman pitcher, Sallie Smith, struck out a total of 16 batters in her first year of pitching. She also held the third highest batting average, .518, and hit the Raiderettes' only homerun for the season.

In their first district game the Raiderettes lost to Northumberland 12-10 after a late start in the sixth inning. The girls then went on to take Essex 11-2, King George 15-3, and Lady Smith 12-8. Their spectacular win over Colonial Beach, 16-0, was followed by a disappointing loss to Lancaster, 11-6.

The team will lose seniors Ann Sanders, Rita LeVere, Patsy Withers, and Kathleen Gordon. However, with freshman potential in pitching and with solid junior and sophomore batting and fielding, the 1972 season holds promise.

Patsy Withers — captain talks it over with Ann Sanders.

1st ROW: C. Arthur — Manager, F. Clark — Manager. 2nd ROW: J. Veney — Co-captain, D. Dunaway — Co-captain. 3rd ROW: G. Pinkard, B. Pemberton, C. Brown. 4th ROW: B. Hanks — Coach, D. Bareford, G. Pierson, D. Tuck, J. Veney. 5th ROW: G. Sanders, R. Fletcher, M. Hinson, S. Packett, G. Brown, A. France. 6th ROW: W. Carey, E. Jackson.

A score for the Raiders!

Out in left field.

## *Raiders Place Second*

The Raiders started their season with two wins and a loss to Essex. From there they added four straight victories, but in the final game were defeated by Lancaster losing their chance to be the district champions. The Raiders ended their season with a 6-2 record, and they were tied for second place in the district.

One of the outstanding highlights of the season was the no-hitter which Dennis Tuck pitched against Brentsville. Al France held the highest batting average with a .480 mark.

A hit for Stephen!

A solemn hour for the Raiders.

Beverly and Peggy cheer the Raiders on.

# Cheerleaders Have Rewarding Year

1st ROW: K. Gray — captain, G. Turner, M. Bronner. 2nd ROW: B. Haynes, E. Smith. 3rd ROW: M. Franklin, R. Hinson. 4th ROW: D. Thompson, S. Bronner. 5th ROW: R. LeVere — co-captain.

The cheerleaders of Rappahannock found the year '70-'71 very fulfilling and rewarding. They supported the Raiders in varsity football, varsity basketball, junior varsity basketball, and girls' basketball.

To boost school spirit at Rappahannock, the cheerleaders held pep rallies at which the "spirit stick" was awarded to the most spirited class. They also made posters, decorated goal posts, and put up a bulletin board entitled "Raider Spirit."

Miss Jane Ledbetter along with Mrs. Fred Pitman acted as our sponsors for the year and were of much assistance to us. Karen Gray, captain, and Rita LeVere, co-captain, led the cheerleaders to a very successful year.

Completing the year was the annual Athletic Banquet in which the cheerleaders honored all of the Raider athletes.

We've got spirit! Hey! S-P-I-R-I-T.

# *Acknowledgement*

As editor of the 1971 RAPPAHANNOCK, I wish to express my appreciation to all of those people, without whose help this annual would not have been published:

*THE ADVERTISERS* for their interest, support, and cooperation, for without them, there would be no yearbook at Rappahannock;

*TAYLOR PUBLISHING COMPANY* for printing our yearbook, and their representative, Mr. Danny DeFalco, for his advice and friendship;

*MR. FORREST PATTON, WANDA CLARKE, GEORGE SYDNOR,* and *DEBRA SANDY* for their time and untiring efforts spent in photography;

*MRS. BLANCHE McKENNEY, MRS. RUBY BALDERSON, MR. PRESTON SAMPSON* and *MRS. MARTHA DELANO* for their profound interest and assistance in the publication of our yearbook;

*THE FACULTY, ADMINISTRATION,* and *STUDENT BODY* for their interest, support, and cooperation;

*THE STAFF* for their patience, cooperation, and diligent efforts; and my special thanks go to *MRS. PEGGY W. SAMPSON* for her patience, confidence, assistance, and devotion.

May the 1971 RAPPAHANNOCK charter the path toward peace, love, and understanding at Rappahannock High School as the AGE OF AQUARIUS echos its song of regeneration.

*Susan W. Delano, Editor*
